

## DONJOY® ICEMAN® CLEAR<sup>3</sup> (Standard Edition)

The IceMan CLEAR<sup>3</sup> cold unit helps reduce pain and swelling, speeding up rehabilitation. The IceMan provides extended cold therapy for a variety of indications and protocols as directed by a medical professional. It utilizes DonJoy's patented **semi-closed loop recirculation system**, which maintains more consistent and accurate temperatures than other cold therapy units, in a **preset configuration**.

The Unit information contained in this Form is not a substitute for the Operating Instructions that are to be provided with the Unit. By signing the Cold Therapy Order Form on the reverse, you acknowledge that you must carefully read and follow the Operating Instructions that are to be provided with the Unit before your use. You also acknowledge that you must immediately contact your physician for medical treatment advice if you experience any discomfort when using the Unit. Extreme care must be taken when using any cryotherapy as it may cause cold injury and/or frostbite when improperly used.
